KINFOLK

Kinfolk is a fusion of trends. Nordic, vintage, rustic and industrial designs are intermingled with a wide variety of fabrics, prints, colors and materials that blend together. Kinfolk by APE Best for you is a very complete collection that consists of a decor set, three inspirations, five finishes and the most advanced technical features. The Kinfolk decor consists of 10 different pieces with striking shades and a matte finish that uses the carvin gloss technique to create a relief under the glaze that enriches its floral design. However, Kinfolk knows no limitations and offers a total of three different series: Kinwood, Kinstone and Kinmarble.
